Hey mate, yeh P5 rang brs late
😞 he was drilled for hours! Lots
of questions about Ben and even
to the point of questioning his VC
action 😞 hence to say he didn't
get much sleep! P5 was free to
leave for the US with 5 hrs until his
flight!!

So if they let P5 go ... that's
gotta be a good sign right?

Yeh 👍

It's obvious that someone has said
a hell of a lot about Ben

But they also have to be able to
prove it
